

Pregnanediol Glucuronide (PDG) Antibody

Catalog number	HM387
Specificity	Pregnanediol glucuronide (PDG)
Description	Purified monoclonal antibody
Product buffer solution	0.015 M potassium phosphate, pH 7.2 ± 0.2, with 0.85% sodium chloride, 0.05% sodium azide as a preservative.
Storage	Short term: 2–8 °C. Long term: –20 °C. Avoid repeated freezing and thawing.
Subclass	Mouse IgG _{2b}
Product concentration	Lot specific
Purity	≥ 90% by SDS-PAGE
Immunogen	PDG-BSA
Cross-reactivities	-
Platforms tested	ELISA, Lateral flow
Miscellaneous	-
